Covid 19

As the days went by and the numbers of Covid19 cases and deaths continued to rise, the decision to stay open for worship became increasingly unwise. A decision was made following as consultation with the churchwardens to suspend inperson worship last Sunday. This week, both parishes have had their PCC meetings and the decision to remain suspended for the foreseeable future was unanimous. We agreed to review the situation when the National review takes place in mid February.

There are a number of ways to keep in touch while we aren't able to meet.

Keeping in Touch

During this time of lockdown, we are trying to keep in touch with congregation members via telephone. Sometimes this is hard because we simply do not have contact details.
